

## New raised kerbs and median on Victoria Road, West Ryde from Sunday 30 June

## Intersection improvements at Victoria Road and Bowden Street, Ryde

Roads and Maritime is also currently trialling changes to traffic arrangements at the intersection of Victoria Road and Bowden Street, Ryde.

We have installed a right turn arrow at the intersection to assist motorists turning right from the southern side of Bowden Street onto Victoria Road eastbound.

To ensure the safety of all road users, right turns from the northern side of Bowden Street onto Victoria Road westbound have been banned.

The six month trial began Saturday 9 February.
