

Roundabout improvements on Norwest Boulevard, Bella Vista from Thursday 13 June

Improvements to the roundabout are funded as part of the NSW Safer Roads Program to improve safety for motorists.

Roads and Maritime recently notified you of work to improve the roundabout on Norwest Boulevard at Edgewater Drive and Westwood Way. The work will include:

- Installing non-slip coating to the approaches and at the roundabout
- Repainting road markings
- Installing new drainage under the roundabout.

We sought feedback from the community on the night-work schedule in May 2019. No submissions were received, and work will continue from Thursday 13 June for up to five nights per week.

The design has recently been revised and the raised kerb will no longer be installed on the north-east corner of the intersection.
