Start of work on the New England Highway, Muswellbrook to Aberdeen from Wednesday 4 April

The NSW Government is funding this essential maintenance work on the New England Highway between Muswellbrook and Aberdeen to improve safety and travel times.

Roads and Maritime Services will carry out the work, which includes road rebuilding. We have included a map to show the location of the project.

We will be working between 7pm and 5am from **Sunday to Friday** and expect to complete the work in **two months**, weather permitting. Some work will need to be carried out during the day between **9am and 4pm** from **Monday to Friday**.

How will the work affect you?

The work will involve the use of machinery which generates some noise. We will make every effort to minimise noise by arranging the work in stages at different locations, completing noisier activities earlier in the night and turning off machinery and vehicles when not in use.

Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe.

Lane closures and a 40km/h speed limit will be in place during work hours and may affect travel times.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please contact our Project Manager, Jason Walsh on 02 6575 2322 or jason.walsh@rms.nsw.gov.au.

For more information on our projects, visit rms.nsw.gov.au.

Thank you for your patience during this important work.
